**Understanding
the World
(Science)**

In Science we will explore Spring, weather, waterproof materials, shiny materials, houses, bridges, kings, queens, princes, princesses, and castles.

**Understanding the
World
(Religious
Education)**

We will be looking into signs of spring, learn how Easter is celebrated by Christians, and learn the story of Easter. We will understand about Ramadan and Eid ul Fitr and how Muslims celebrate.

**Understanding the
World
(Computing)**

This term we will continue to look at how to say safe on the internet. Who are the safe adults in school and at home.

**Expressive Arts &
Design
(Art)**

In art we will continue to develop our drawing skills using various types of lines, forming spirals, wiggly, bumpy, zig zag, and dotty. We will create collages, use cutting skills, sticking skills, different mediums of paper, and use various images

**Expressive Arts &
Design
(Design &
Technology)**

This term we will be looking bridge building and creating houses using a variety of construction resources.

**Expressive Arts &
Design
(Music)**

This term we will be learning all about Music Technology. We will be recording our voices and listening back to them.
