

Rainbow Fish

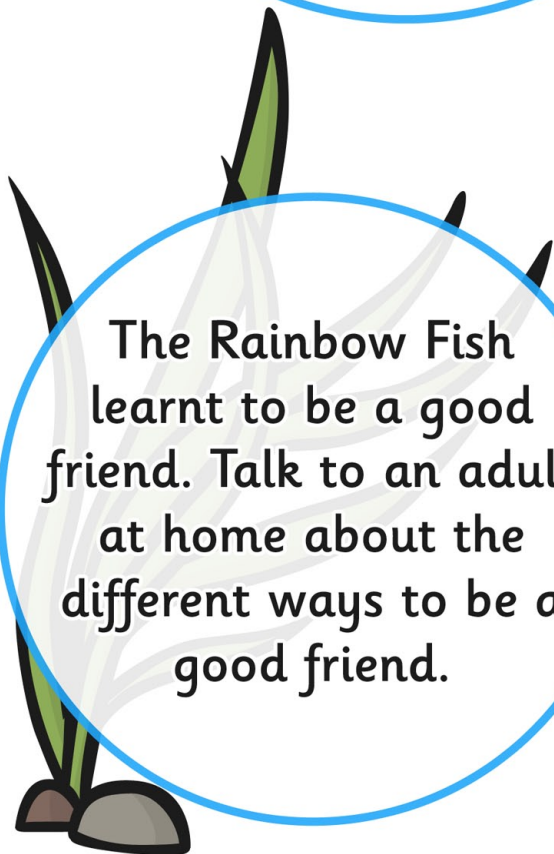

Home Learning Challenge

Use books or the Internet to find out a fact about a creature that lives under the sea. We can then share our facts with the rest of the class!

Draw a fish with 3 spots. Colour each spot a different colour.

The Rainbow Fish learnt to be a good friend. Talk to an adult at home about the different ways to be a good friend.

Teach your family the song we have been learning, "1,2,3,4,5, once I caught a fish alive." Don't forget to teach them the actions too!
