Understanding the world - choose a challenge!

Home Learning Challenge

Draw a face on a potato to make your own Supertato! Take Supertato around your house to help out with some of the jobs, such as tidying your bedroom and putting away the dishes. What other helpful things can he do?

Use building bricks to make a home for your Supertato. Think about how tall and wide it needs to be to fit Supertato inside.

When making or eating a meal, discuss which parts of the meal are vegetables and which are healthy for your body. You could also make a healthy snack such as fruit salad or a fruit smoothie.

Cut vegetables in half and create a print of it. Then make it into your own vegetable hero, by drawing eyes, nose, cape + boots.

Talk about what your name would be if you were a superhero and what special powers you would have. You could draw a picture and bring it into school.

Make jelly and add in fruit such as blueberries. Does your jelly taste like peas, like the one in the story? What does your jelly taste like?

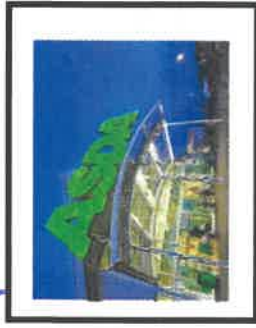

Wednesday - Literacy

Story Map

- Today we are going to look at a story map of the Supertato story.
- I would like you to act out the story by looking at the pictures and retelling the story. Send a video in so the teachers can watch it.
- You may begin your sentences with the words below, to challenge yourselves!
- Then...

Wednesday and
Thursday

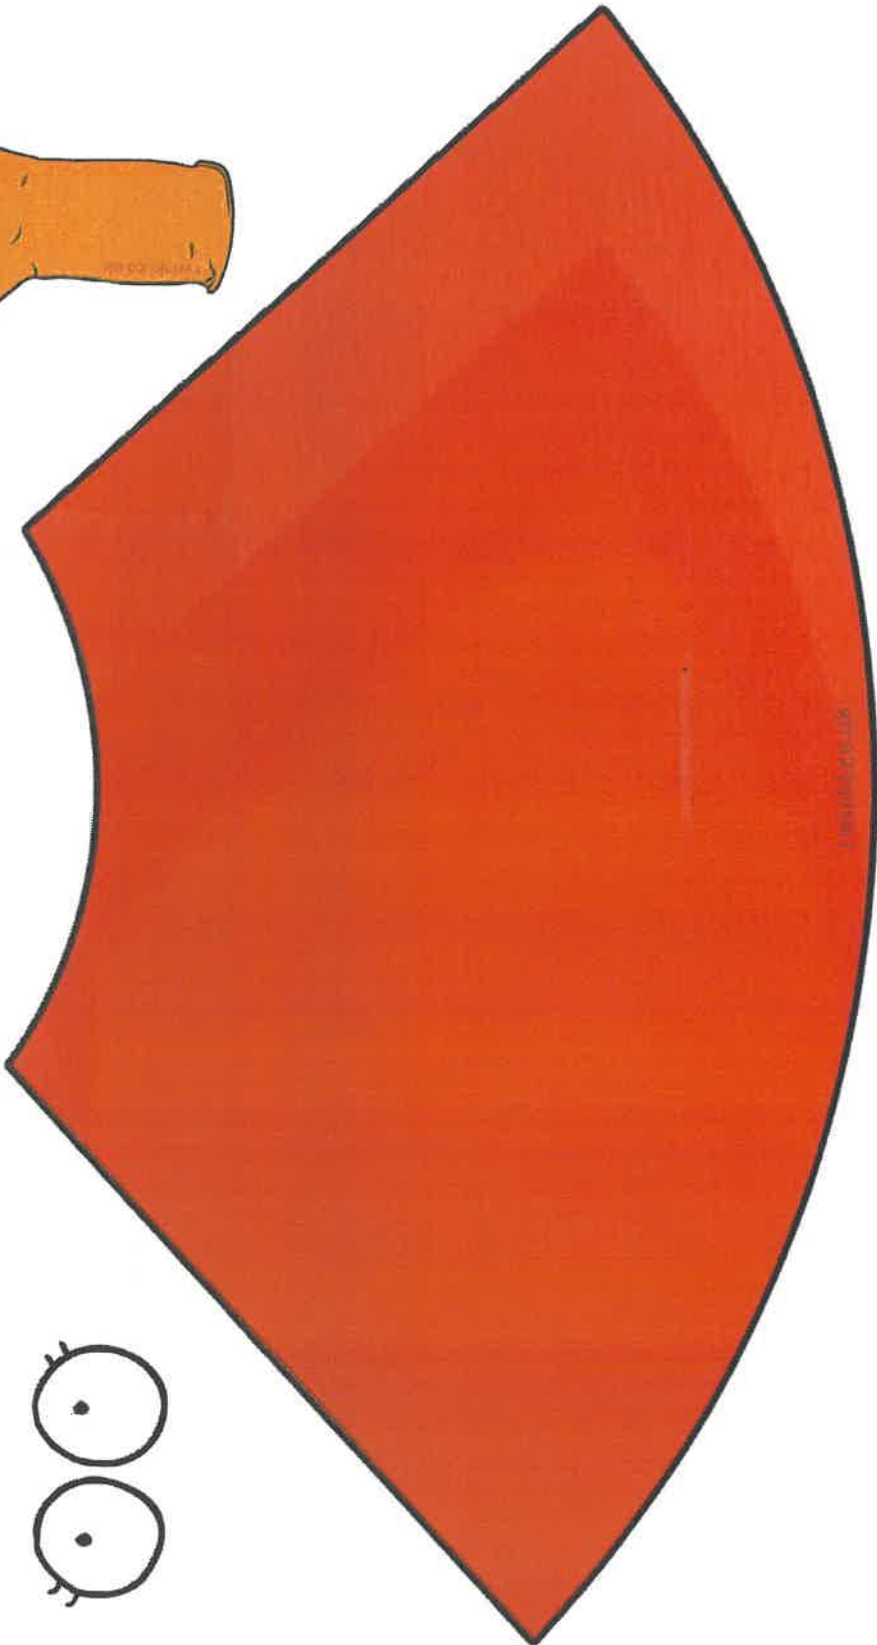

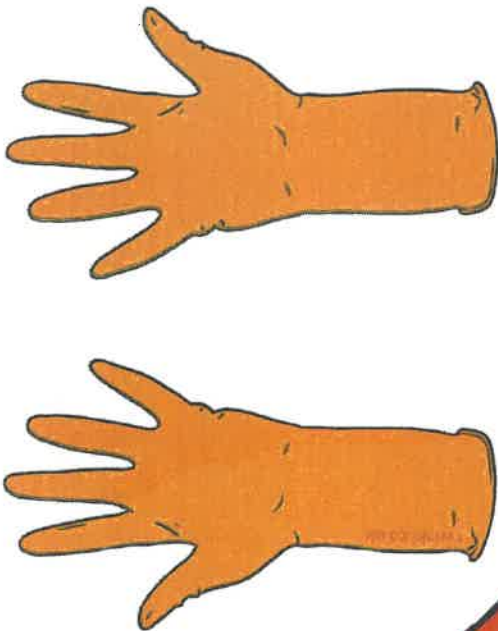

Supertato

It was night time at the supermarket and the vegetables were sleeping. Evil pea got out the freezer and was mean to the vegetables. Supertato to the rescue! He went on a super search for Evil Pea. Supertato fell into the freezer! He used his super strength and got out the freezer. Next he trapped Evil Pea inside the Jelly. Finally Evil Pea went back in the freezer and the vegetables were happy.

Use this to help your child retell the story.

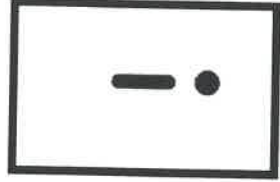

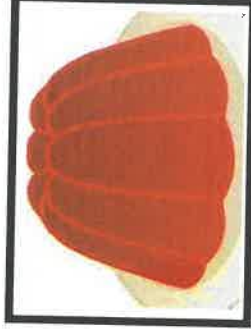

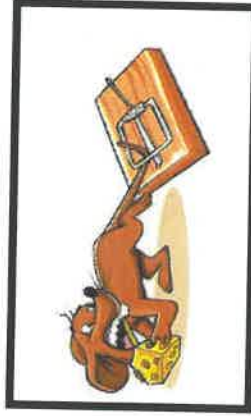

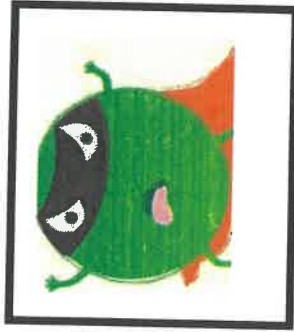

Challenge : record your child reading the story.
