Hello,

Above is a timetable for the week and below are notes on the activities that have been set. We look forward to viewing all your wonderful work!

All lessons are to be recorded on J2easy unless otherwise stated. If the lesson requires the work to be completed in the Remote Learning Book, remember to date the work and write which subject it is for.

Also if children are struggling to use the J2e website to complete the work, you are free to print the activity set and take a photo to send to our Year 2 email.

Monday

9.00-10.00- English

This week is revision week and for each day there is a document with a mix of activities. After you have completed the activity, write sentences using the days of the week. Write a sentence for each day. Remember to use interesting vocabulary.

10.00-10.10- Fruit Break

10.10-10.40- Spellings

Today's spelling rule is focusing on kn and gn. Both 'k' and 'g' are silent.

10.40-11.00- Break

11.00-12.00- Maths

Each activity on the maths revision sheets is revising a particular area in maths. Have a practise of each area of maths first and then complete the activity sheet. After you have finished the activity sheet then make up your own complete more sums in your Remote learning book. Remember to practice your number bonds to 20 and beyond, also practice subtraction sums. After that practice your 2x, 5x and 10x times tables and related division facts. Then move on to fractions and time.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Read your book for the week. Remember to read books from home and below there is a link to an online eBook library that you can register for free. The website has many books for the children to enjoy.

https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=Age+6-7&level=&level_select=&book_type=&series=#

Reading strategies:

Children should be using their phonic knowledge to help them read unfamiliar words. Please remind children of the strategy if they struggle to read a word.

Look at the letters, make the sounds, blend the sounds together

Look for small words inside big words' example '**stayed**'

Chunking words into syllables', example 'cat-er-pill-ar'

To help children with understanding the text we ask them to

Go back to the beginning of the sentence and re-read it.

Read the next sentence, go back and then reread both sentences.

Children are also encouraged to look at punctuation to help them understand.

1.30- 2.30- Science

Today's Science is thinking about how different body parts grow as we get older. Go through the Lesson introduction first and then children have a go the main activity.

2.30- 3.00- Mental Maths

This week's focus is shapes. Each day there is a different game.

Tuesday

9.00-10.00- English

This week is revision week and for each day there is a document with a mix of activities.

After you have completed the activity, write sentences using the contractions. Remember to use interesting vocabulary.

10.00-10.10- Fruit Break

10.10-10.40- Spellings

Today's spelling rule is focusing on kn and gn. Both 'k' and 'g' are silent.

10.40-11.00- Break

11.00-12.00- Maths.

Each activity on the maths revision sheets is revising a particular area in maths. Have a practise of each area of maths first and then complete the activity sheet. After you have finished the activity sheet then make up your own complete more sums in your Remote learning book. Remember to practice your number bonds to 20 and beyond, also practice subtraction sums. After that practice your 2x, 5x and 10x times tables and related division facts. Then move on to fractions and time.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Complete a book review of the book you read on Monday. The template can be found on J2easy.

1.30- 2.30- Creativity

This week's lesson is on using historical sources to answer different questions. Go through the PowerPoint first and then have a go at the main activity.

2.30- 3.00- Mental Maths

<https://uk.ixl.com/math/year-2/count-sides-and-vertices>

Wednesday

9.00-10.00- English

This week is revision week and for each day there is a document with a mix of activities. After you have completed the activity, look outside your window and write sentences to describe what you see. Remember to use interesting vocabulary.

10.00-10.10- Fruit Break

10.10-10.40- Practise spellings and mental maths for tomorrow's test. This can be practised in the **Remote Learning Book**.

Spelling strategies we use in school that children should be familiar with.

Look, say, cover, write, check: Children look at the word. say the word, cover the word, then try to spell the word and finally check if they got it right.

Quickwrite: Give children a word from the common exception word list. Give them one minute to write the word as many times as possible. After the minute is over see how many times they have written it down correctly, their writing must also be neat and joined up. To challenge them give the same word again and see if they can beat their last amount. Repeat with other words.

Rainbow Writing: Give children a word from the list and get them to write the word in different coloured pencils, only swapping the coloured pencil once they have written the whole word.

Patterns: Noticing patterns with the words can also help the children with their spelling. Eg told, gold, old, cold, hold all have the same ending.

11.00-12.00- Maths

Each activity on the maths revision sheets is revising a particular area in maths. Have a practise of each area of maths first and then complete the activity sheet. After you have finished the activity sheet then make up your own complete more sums in your Remote learning book. Remember to practice your number bonds to 20 and beyond, also practice subtraction sums. After that practice your 2x, 5x and 10x times tables and related division facts. Then move on to fractions and time.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Use your reading book and find all the adjectives. Then use a thesaurus to improve these adjectives. A list of adjectives can be found on J2easy, use this to help you improve vocabulary if you do not have a thesaurus. This will need to be recorded in the **Remote Learning Book**.

1.30- 2.30- P.E

Starter activity- Children first complete the starter activity.

Warm up Activities- These can be found in the warm up activity document.

Main Activity 1- Treasure Chest

Open the pdf which explains the rules of the game. You can also see a video tutorial.

2.30- 3.00- Mental Maths

<https://uk.ixl.com/math/year-2/compare-sides-and-vertices>

Thursday

9.00-10.00- English

This week is revision week and for each day there is a document with a mix of activities. After you have completed the activity, look through a reading book (any book) and write a list of suffixes that have been used. Try using these words in your own sentences.

10.00-10.10- Fruit Break

10.10-10.40- Test on their weekly spellings and mental maths test. This can be completed in the **Remote Learning Book**.

10.40-11.00- Break

11.00-12.00- Maths

Each activity on the maths revision sheets is revising a particular area in maths. Have a practise of each area of maths first and then complete the activity sheet. After you have finished the activity sheet then make up your own complete more sums in your Remote learning book. Remember to practice your number bonds to 20 and beyond, also practice subtraction sums. After that practice your 2x, 5x and 10x times tables and related division facts. Then move on to fractions and time.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Look through your reading book and make a list of any Year 2 Common Exception Words and the first 200 High Frequency words that you find (both word lists can be found on J2easy). Remember to make sure you have spelt the words correctly. This will need to be recorded in the **Remote Learning Book**.

1.30- 2.30- Music

Go through the lesson activity worksheet

2.30- 3.00- Mental Maths

<https://uk.ixl.com/math/year-2/symmetry>

Friday

9.00-10.00- English

This week is revision week and for each day there is a document with a mix of activities. After you have completed the activity, find a page in your reading book (any book) and write sentences to describe a picture from your book. Remember to use interesting vocabulary.

10.00-10.10- Fruit Break

10.10-10.40- Handwriting

This week's letter is 'b'. This can be recorded in the **Remote Learning Book**.

10.40-11.00- Break

11.00-12.00- Maths.

Each activity on the maths revision sheets is revising a particular area in maths. Have a practise of each area of maths first and then complete the activity sheet. After you have finished the activity sheet then make up your own complete more sums in your Remote learning book. Remember to practice your number bonds to 20 and beyond, also practice subtraction sums. After that practice your 2x, 5x and 10x times tables and related division facts. Then move on to fractions and time.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Think and write down a different ending for your reading book. You can choose any book to do this with. Be as imaginative as possible. The template can be found on J2easy.

1.30- 2.30- Golden Time

2.30- 3.00- Story Time

Have a wonderful week.

Year 2 Team ☺
