Hello,

Above is a timetable for the week and below are notes on the activities that have been set. We look forward to viewing all your wonderful work!

All lessons are to be recorded on J2easy unless otherwise stated. If the lesson requires the work to be completed in the Remote Learning Book, remember to date the work and write which subject it is for.

Also if children are struggling to use the J2e website to complete the work, you are free to print the activity set and take a photo to send to our Year 2 email.

For further support we have voice recordings on the work on J2e, so if you have access to J2e your child may find it helpful to listen to the instructions and guidance on there.

Monday

9.00-10.00- English

This week's English lessons are revision lessons on everything we have taught so far in the Autumn and Spring terms. There are 6 questions to answer on grammar, punctuation and spelling. There is also an additional challenge activity for the children to do at the end of the page.

10.00-10.10- Fruit Break

10.10-10.40- Spellings

Today's spelling rule is focusing on spelling the "ee" sound using the letters "ey" at the end of words. Go through the activity sheet.

10.40-11.00- Break

11.00-12.00- Maths

This week we are looking at measurement. Maths 1- PowerPoint explain capacity. Maths 2- Measuring the amount in the jug. Challenge- comparing amounts using < > =.

12.00-1.00- Lunchtime

1.00-1.30- Reading- Choose a reading book. This will be your reading book for the week which will be used in all reading lessons.

Read your book for the week. Remember to read books from home and below there are a link to an online eBook library, that you can register for free. The website has many books for the children to enjoy.

https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/?view=image&query=&type=book&age_group=Age+6-7&level=&level_select=&book_type=&series=#

Reading strategies:

Children should be using their phonic knowledge to help them read unfamiliar words. Please remind children of the strategy if they struggle to read a word.

Look at the letters, make the sounds, blend the sounds together

Look for small words inside big words' example 'stayed'

Chunking words into syllables', example 'cat-er-pill-ar'

To help children with understanding the text we ask them to

Go back to the beginning of the sentence and re-read it.

Read the next sentence, go back and then re-read both sentences.

Children are also encouraged to look at punctuation to help them understand.

1.30- 2.30- Science

This week we will be looking at Dependency, how each animal and plant is completely dependent on the habitat to survive.

You will need to go through Science PowerPoint looking at how plants and animals are dependent on their habitat. Then you will need to complete the activity sheet.

The PowerPoint will also support you a lot to answer the questions in the science activity.

2.30- 3.00- Mental Maths

Choose a game from the following website.

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

Tuesday

9.00-10.00- English

This week's English lessons are revision lessons on everything we have taught so far in the Autumn and Spring terms. There are 6 questions to answer on grammar, punctuation and spelling. There is also an additional challenge activity for the children to do at the end of the page.

10.00-10.10- Fruit Break

10.10-10.40- Spellings

To continue work on this week's spelling rule; spelling the "ee" sound using the letters "ey". There is an activity sheet to go through.

10.40-11.00- Break

11.00-12.00- Maths

This week we are looking at measurement. Maths 1 and 2- reading scales going up in 1, 2, 5 and 10. Challenge- Halving and doubling amounts.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Complete a book review of any book you have read. The template can be found on J2easy.

1.30- 2.30- P.E

Starter activity- Children first complete the Health starter activity answering questions on the importance of lungs and their functions.

Warm up Activities- These can be found in the warm up activity document.

Main Activity 1- Healthy hearts

2.30- 3.00- Mental Maths

Choose a game from the following website.

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

Wednesday

9.00-10.00- English

This week's English lessons are revision lessons on everything we have taught so far in the Autumn and Spring terms. There are 6 questions to answer on grammar, punctuation and spelling. There is also an additional challenge activity for the children to do at the end of the page.

10.00-10.10- Fruit Break

10.10-10.40- Practise spellings and mental maths for tomorrow's test. This can be practised in the **Remote Learning Book**.

Spelling strategies we use in school that children should be familiar with.

Look, say, cover, write, check: Children look at the word. say the word, cover the word, then try to spell the word and finally check if they got it right.

Quickwrite: Give children a word from tomorrow's spelling test. Give them one minute to write the word as many times as possible. After the minute is over see how many times they have written it down correctly, their writing must also be neat and joined up. To challenge them give the same word again and see if they can beat their last amount. Repeat with other words.

Rainbow Writing: Give children a word from the list and get them to write the word in different coloured pencils, only swapping the coloured pencil once they have written the whole word.

Patterns: Noticing patterns with the words can also help the children with their spelling. Eg told, gold, old, cold, hold all have the same ending.

11.00-12.00- Maths-

This week we are looking at measurement. Maths 1- PowerPoint explaining how to compare weight. Maths 2- activity on comparing amounts using vocabulary such as lighter, heavier and same as. Challenge- comparing amounts using < > =.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Use your reading book and find all the adjectives. Then use a thesaurus to improve these adjectives. A list of adjectives can be found on J2easy, use this to help you improve vocabulary if you do not have a thesaurus. This will need to be recorded in the **Remote Learning Book**. Use the link below for an online thesaurus.

<https://www.collinsdictionary.com/dictionary/english-thesaurus>

1.30- 2.30- Creativity – To paint your own Tudor house

You will need to go through the power point recapping on the main events of the fire of London and then paint your own Tudor house. if you have not paint then please make your own Tudor house on J2e.

2.30- 3.00- Mental Maths

Choose a game from the following website.

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

Thursday

9.00-10.00- English

This week's English lessons are revision lessons on everything we have taught so far in the Autumn and Spring terms. There are 6 questions to answer on grammar,

punctuation and spelling. There is also an additional challenge activity for the children to do at the end of the page.

10.00-10.10- Fruit Break

10.10-10.40- Spelling and Mental Maths Test

Test on their weekly spellings and mental maths test (the mental maths test can be found on J2E). This can be completed in the **Remote Learning Book**.

10.40-11.00- Break

11.00-12.00- Maths

This week we are looking at measurement. Maths 1- activity on reading scales. Maths 2- find a recipe and write down the different amounts needed of each item. Challenge- finding halves and doubles of an amount.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Look through your reading book and make a list of any Year 2 Common Exception Words and the first 200 High Frequency words that you find (both word lists can be found on J2easy). Remember to make sure you have spelt the words correctly. This will need to be recorded in the **Remote Learning Book**.

1.30- 2.30- P.H.S.E – Friendship

Main Activity: Go through the power point – Choose Kindness

Then complete the PHSE activity 1, quote of the day. Then complete the PHSE activity 2 – Which is a relaxation wheel. Have a go at making the wheel and try some relaxation exercises.

2.30- 3.00- Mental Maths

Choose a game from the following website.

<https://www.topmarks.co.uk/maths-games/5-7-years/counting>

Friday

9.00-10.00- English

This week's English lessons are revision lessons on everything we have taught so far in the Autumn and Spring terms. There are 6 questions to answer on grammar, punctuation and spelling. There is also an additional challenge activity for the children to do at the end of the page.

10.00-10.10- Fruit Break

10.10-10.40- Handwriting

This week's letter is 'w'. On J2E there are activities which children can copy into their Remote **Learning Book**.

10.40-11.00- Break

11.00-12.00- Maths

This week we are looking at measurement. Maths 1- reading the scales on a thermometer going up in 2, 5 and 10. Challenge- problem solving questions on measurement.

12.00-1.00- Lunchtime

1.00-1.30- Reading

Think and write down a different ending for your reading book. You can choose any book to do this with. Be as imaginative as possible. The template can be found on J2easy.

1.30- 3.00- Golden Time

Have a wonderful week.

Year 2 Team ☺
