Whitehall Primary School

'Dedicated to Excellence....Leicester'

Welcome to Whitehall Primary School's Website. We are a happy school and hope that you will enjoy the way that we do. We believe in close partnership with the parents, so it is important that you feel at home at Whitehall. We hope that this website will tell you more about the life and work of the school.

URGENT: School is closed for the safety of pupils

We are open to children of critical workers and vulnerable children.
All other children will be working remotely from home until further notice.

Assignment

Marks: 100

Hello Year 6!

Watch the video as I read through the text for shared reading, then answer the comprehension questions

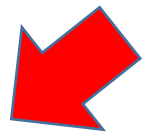

youtu.be/ot776GKmd

As explained in the video, you have the choice of completing either of the comprehension activities. I have labelled them comprehension A (the one that I read through in the video) and comprehension B (the one with more inference style questions)

Anglo-Saxon and Scots Invaders

By around 410AD, the last of the Romans had left Britain to go and defend their own country as invaders who wanted to take over their land were attacking them. This meant England was left to look after itself for the first time in about 400 years even though it was still under constant attack from the Picts, Scots and Saxons. Emperor Honorius told the people to defend themselves, but after being protected by Roman soldiers for so long they were not prepared for fighting!

The Scotti, who came from Ireland, were descendants of the Picts, who had earlier invaded Ireland around 200AD. Historians believe that these Irish Scots invaded and took land in Scotland in the 4th and 5th centuries. The Scots divided the land in Scotland into 4 separate kingdoms, which were named Dal Riata, Pictland, Strathclyde and Bernicia. The Picts and the Scots

- A well-being online interactive session will take place on our new video conferencing software. It will allow a 5 minute online face-to-face well-being session for all pupils learning remotely with their teacher.
- Parents will need to be present.
- We will also use this time to liaise with parents/ students to see how the remote learning is going at home.

Reading Books

- You have received details on when to change reading books.
- You have the opportunity to change reading books every Tuesday afternoon, between 12:30 and 2:30.
- Thank you to parents who sent us feedback via email to state that there was a time clash.

NTP

- The government are looking into how this can be delivered remotely.
- You should expect to receive correspondence on this shortly.

SATS

- 2021 National Curriculum KS2 SATs have been cancelled.
- Whitehall will be conducting Teacher Assessments to pass onto their Secondary Schools to aide the transition process.
- The Year 6 staff will continue to challenge our pupils to reach their full potential.

Thank you for joining our Zoom Meeting today.

If you have any queries or concerns, please do drop an email to the Year 6 email address, we are more than happy to help.

In case you missed it...

- If you weren't able to attend the meeting we have summarised what was discussed below:
- How to navigate around century and how best to complete and submit assignments.
- School website: How to access the weekly timetable, which details the weeks learning.
- School cloud - A system we will be using to contact the children every two weeks. You will book a slot and we can speak to your child (accompanied by an adult) about his work.
- Remote learning books - We are taking these in for monitoring for children who have been unable to submit their work so far.
- Reading books – There will no longer be the option to swap them – you should have received a parent mail to confirm this.
- If you have any questions please drop us an email to the year 5 email address.
